Welcome

Dear Readers

Our cover photo this month was taken by Becca Pate, thank you for sending it to us. There are many local lambing events this month where you can learn more about lambs and sheep farming.

Whilst many gardeners might be frustrated by the wet weather, it's good to hear that it has been beneficial for the toads and newts trying to cross the road at Bough Beech. For a full update on the Toad Patrol read Alan's Nature Watch.

Closer to home Julie Pinnell is launching a series of crafting evenings at her house. They sound really fun and you can find out more and follow Julie on Instagram #giftsbyjuliep.

Following the closure of the nursery at the Village Hall there is more availability for bookings than previously, so if you know of a club or activity looking for space then please share the details with them.

The spring flowers around the village have been beautiful this year and the birds are nesting. I wonder if the new nest boxes in the Pocket Park have attracted any residents yet?

Wishing everyone a very Happy Easter!

Best wishes

Judith

News & Announcements

What's on in Speldhurst for the Under 5's in March

As I write spring is well underway. The birds' song in the morning is getting earlier and earlier, the daffodils are magnificent and there are even signs of bluebells emerging in the woods around the village.

Bumps and Babes, the coffee mornings for new Mums meets fortnightly on a Monday from 10.30 meets on 8th & 22nd April this month. Message Jenny if you are interested in joining this group.

Praise and Play, the St Mary's Toddler Group meets in the church every Wednesday during term time. We begin again after the Easter holidays on Wednesday 17th April. We're there from 9 – 10.30am, so feel free to arrive when you can. We always start with free play and a craft, then gather about 10am for a story and some songs before we enjoy our refreshments.

Meanwhile if you are new to the village and have pre-school children, or know someone in that position, do get in touch with Jenny on 01892 541200 or 07891318123 or at jenny50fitz@gmail.com

A message from the Speldhurst Village Hall Management Committee

We share your sadness about the recent closure of the nursery especially after working so hard with them to try and keep it open.

We see the nursery as an integral part of Speldhurst life and are already exploring alternative provision as we are very keen to find a new set up for the village.

We would love to welcome your thoughts and opinions at our AGM meeting on the 18th of April 2024 at 19:45 at the George & Dragon pub.

In the meantime the Hall space is open for new meetings and classes and we look forward to seeing Speldhurst stretch into new ventures after Easter.

Hall Availability

With new availability during the daytime, the committee invites users old and new to contact us to book the space to expand, start-up, or explore fresh groups, classes and meetings in our wonderful Hall - this is your opportunity!

FARMERS' MARKET AT PENSURST

*Come to Penshurst Farmers Market this April for
all the best local seasonal food and drink*

**Saturday,
April 6th,
2024**

**9.30 am
to
12.00 pm**

**Penshurst
Place Visitor
Car Park**

Spring has arrived at the Farmers market this month. The clocks have gone forward, the grass is growing strongly and, after a very wet and windy market last month, hopefully we'll have some dry weather to enjoy in the great outdoors.

There's plenty of choice for whatever you want to eat, from glorious fish and seafood up from Hastings, locally reared meat and wild game to jams, chutneys and honeys, cheeses and pies. And last month The Village Bakery at Groombridge joined our existing bakers so we now offer traditional breads and rolls alongside sourdoughs and breakfast pastries .

Don't forget to bring your kitchen knives and garden tools to be sharpened by our Knife Ninja ready for the new season in the garden; buy new season's flowering spring bulbs and shrub from Low Wood Nursery to get into the ground now.

Parking is plentiful, free and close by. Families and dogs are welcome.

One Year of Seeding – Seven Years of Weeding

A wise and rueful gardener's saying on the 'dangers' of allowing weeds to grow and seed themselves. It is also a very old saying with references going back to the 1860's.

Anyway, what it also indicates is that in the gardens and on our allotments, we don't stand a chance. I read the other day, an awe-inspiring but rather depressing statistic, that a hectare of land can contain as many as 555 million weed seeds in it's top 15cm – that's as many as 55,500 weed seeds in each m2 in our gardens. And they are being replenished every year.

But all is not lost. There are things we can do. Annual weeds can be kept in check by hoeing, hand-weeding and mulching – which is my particular favourite approach on the allotment. The grass clippings of just about every lawn cut goes to the allotments for mulching.

Perennial weeds however present more of a challenge and I am not sure there are many solutions other than to laboriously dig them up one root at a time.

In survey after survey weeding is rated as the most disliked activity in the garden. It's a season-long requirement which many of us tackle badly with little done to prevent an infestation around growing plants where weeding must be performed most carefully. And generally, we tend to wait until the weeds are truly an eyesore.

The general care and cultivation of plants requires the full attention of the gardener, with both eyes constantly open for unwanted pests and diseases and both hands employed in the tasks of feeding, weeding, training and pruning.

But...no matter how clever we are, there is no way of completely protecting our plots and gardens from weeds. We just have to live with them. And if we are clever or prepared to widen our diets, there are a number of beneficial and nutritious uses for weeds – they are not necessarily the outlaws of the plant world. But more on that another time.

Speldhurst CEP School News

When I paid a Governor's visit to School this term, I found there was a much more popular visitor that morning - a beautiful black labrador called Gus and his owner Speldhurst resident Min Flemmington. The two of them volunteer through the Pets4 Therapy charity where Gus was assessed for his suitability after Min sadly lost a much older pet which had been a therapy dog. "I just put Gus's name down with the charity – never imagining that he would be suitable – he's still a young dog".

There's no doubt he is one of the most chilled, intelligent and empathetic dogs I've ever met and even slightly apprehensive children enjoyed stroking and cuddling him. Indeed his visits have such a positive impact on the children, that the School is hoping to open up the visits to pupils as part of a reward scheme.

All the years I have been involved with Speldhurst (both my daughters attended), it's been a happy school with the wellbeing of the pupils at its heart and links with other schools, both primary and secondary. This term year 4 pupils from Empire class spent an exciting afternoon at Tunbridge Wells Grammar School for Girls (TWGGS) as part of a music event. Together with multiple other primary schools, they played lots of different songs on the recorder creating a beautiful symphony.

TWGGS has always had a reputation for its music. Certainly, there's little doubt that the encouragement and opportunities the school gave my daughter Charlotte Andrew started her on the road to a professional music career. From her first tentative performance playing Danny Boy on violin at Speldhurst school's end of term concert to Jazz singing at TWGGS, performing with local bands and playing in classical concerts, she has always loved music. It's not an easy life, lots of hard work, commitment and disappointments but one which has opened up the world for her. Some of you in the village may know her by her stage name Charley Blue after her success on the Voice and more recently she appeared on TV again as Taylor Swift in Starstruck.

She's now taking her singing/violin playing act as a guest performer on cruise ships. Over the past year ,she's set foot on all seven continents during her travels – and this Christmas and New Year was in Antarctica for two months - performing six nights a week but spending the days with penguins, whales and seals! She's about to fly out again to join a cruise ship on its way to Sri Lanka and I'm going to join her – how lucky am I?

A Letter from St Mary's

April 2024

Dear Friends,

The POWER of Forgiveness

Forgiving someone who has hurt you is notoriously difficult. It's much easier to seek revenge and to say things like, "I'll get you back for that". Other phrases spring to mind such as "don't get angry, get even." Or we try to take the moral high ground and put off forgiving someone by insisting they say sorry first before you will get around to forgiving them.

The trouble is this approach only does you more harm.... Lots more harm...

It can make us angry, although we tend to squash it down inside so that it's not always on show.

It can make us bitter and the more there are that we haven't forgiven the worse that gets.

It takes up headspace as we hang on to the issue(s) and we start to live more in the past than we do in the present.

With all that anger and bitterness inside it can make us ill, physically or mentally.

Forgiveness is deciding in your heart to let go of the past; it is wanting to be free of that person who caused all the pain, heartache and grief; it is being prepared to forgive them again and again until the pain subsides.

It does not mean approving of what someone else did.

It does not mean pretending that evil never took place.

It does not mean making excuses for other people's bad behaviour.

It does not mean justifying evil so that sin somehow becomes less sinful.

It does not mean overlooking abuse.

It does not mean denying that others tried to hurt you repeatedly.

It does not mean letting others walk all over you.

It does not mean refusing to press charges when a crime has been committed.

It does not mean forgetting the wrong that was done.

It does not mean pretending that you were never hurt.

It does not mean that you must restore the relationship to what it was before.

It does not mean that you must tell the person that you have forgiven them.

It does not mean that all negative consequences of sin are cancelled.

If you totally forgive them and release them you will be set free. It will make such a powerful difference in your life.

I wonder if you had this bible reading at your wedding, 'Love is...'

1 Corinthians 13:4-7

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.

I'm always happy to talk about this with anyone who has questions but for now I pray that God will bless you as you forgive.

BRITISH SUMMER TIME

Begins on Sunday 31st March - clocks Spring forwards an hour.

NATURE WATCH

As I write this in early March we are in the middle of our yearly Toad Patrol at Bough Beech and all over Kent, run by the Kent reptile and Amphibian group [KRAG]. So far we have helped across the road 101 Toads mostly males, the females arrive later. 105 Smooth Newts and 10 Great Crested Newts, as yet we have not seen any Frogs on the road. Unfortunately 2 of the G.C.Newts had badly damaged tails. All our 3 species of Newts belong to the salamander family and are capable of re-growing lost limbs within a few weeks, including toes and tails allowing them to survive being attacked from birds, mammals and certain fish when they are in the water. The reason we rescue them from the road is they are often run over by cars etc. We find the largest numbers of Toads etc. on very wet nights with a temperature of 10+ degrees C. Great fun!

The Blackthorn is always the first native tree to bloom in the spring, unfortunately with all the heavy rain it has not shown its best this year, I hope enough pollinators have managed to fertilize the flowers otherwise we will be short of sloes for the sloe gin.

Now is the time of year to plant new flowering plants, perennials now and annuals at the beginning of May, look for flowers that are good for our insects of all types Bees, Butterfly and Moths.

I have just heard of a Robins nest with young in the village, it must have started nest building in the beginning of February.

NEWS FROM SPELDHURST PARISH COUNCIL

It's been a busy year for the parish council, and we would love to tell you about it at our Annual Parish Meeting. Meet us in person, ask about what we do and hear updates on the projects we're involved in, including the Speldhurst Chapel Project and Langton Community Hub.

From our online media channels to council meetings – open to all residents – and articles in the village magazine, we try to share important information with as many residents as possible. But we can't always reach everyone, so, we want you to see this

meeting as your chance to find out more – for example:

- ? What are we doing to tackle road safety? What is our role in local planning matters?
- ? What about the environment? And how can you get involved?

Join us from **7 pm (when drinks will be served)** for a **7.30 pm** start and prepare to have your questions answered.

PLANNING APPLICATION FOR A 3G PITCH AT LANGTON GREEN

We have been busy this month hearing residents' views about the application Langton Green Football Club (LGCSA) has made for a 3G pitch to be installed adjacent to Langton Green Rec. As we write, the application is still open for comments from the public; to read it and comment, visit the Tunbridge Wells Borough Council (TWBC) website:

<https://twbcpa.midkent.gov.uk/online-applications/>

using the reference number 24/00235/FULL to search for the application.

Please note that although we have commented, the parish council is not the decision maker for this application – TWBC's Planning committee will decide at an upcoming meeting (date to be confirmed) and will be pleased to receive residents' views on the proposal until the meeting is held.

HOW TO STAY UP TO DATE WITH PLANNING APPLICATIONS

You may have seen our message about planning applications in last month's magazine, however, after feedback from residents who were unaware of the recent 3G pitch application for some time, we feel it's worth repeating.

TWBC no longer notifies you if a neighbour applies for planning permission. Here are two things you can do instead to stay informed

about new applications near you:

1. Look out for planning site notices posted on nearby trees, posts, and fences (be aware, these fliers aren't always posted in the most visible places and can also come loose and fall off).
2. TWBC posts all planning applications on their website, and you can sign up for notifications about the applications closest to your address here: <https://tunbridgewells.gov.uk/planning/applications/notifications>

Do you have a neighbour who is housebound or not a regular internet user? Do tell them if you think an application could affect them. We encourage everyone to engage with parish planning applications - whether to oppose or support, you should know how to have your say.

There is usually planning information in TWBC's Local magazine too; hopefully, you've had the Spring edition through your door. And, of course, you can always contact us with your questions.

REMINDER – BOROUGH COUNCILLOR ELECTIONS Rusthall & Speldhurst ward elections take place on 2nd May. More info. at <https://tunbridgewells.gov.uk/>

PUBLIC MEETINGS – EVERYONE WELCOME

Full Council 7.30 pm, 8th April, Ashurst Village Hall

Annual Parish Meeting 29th April, Speldhurst Primary School, 7 for 7.30pm

TO CONTACT THE PARISH COUNCIL

- Call the Clerk, Katie Neve on 01892 862927/07760 769513
- Or email clerk@speldhurstparishcouncil.gov.uk
- For helpful information, visit www.speldhurstparishcouncil.gov.uk

RECYCLING – WHY SHOULD YOU DO IT AND WHAT DOES IT MEAN IN SPELDHURST PARISH?

Plenty of statistics support a continued effort to recycle:

“Recycling stops tonnes of waste being buried in landfill. In the UK, recycling saves about 10-15 million tonnes of carbon emissions a year, the equivalent of taking 3.5 million cars off the road”.

<https://www.recyclenow.com/how-to-recycle/why-is-recycling-important>

In short, it is definitely worth recycling as the impact of not doing it is probably creating a bigger environmental impact than you think. There is always more we can do!

There is a plan that one-day bins will all mean the same thing for every council across the UK, but until then many of us may need a reminder of what each of our bins can and can't take. Incorrect recycling can result in spoiled loads and an increase in what ends up in landfill.

We have had a few bin changes over the past years, and what goes in each bin can be a mystery from one council to the next. SO if you are new to the area or need a refresh on what goes in your array of bins read on!

GREEN BOXES – PAPER/CARD RECYCLING

IN THE BOX....

- ♻ Newspapers, supplements, magazines, catalogues, leaflets, flyers
- ♻ Cardboard, egg boxes, cereal boxes and corrugated cardboard etc, paper, envelopes, greeting card
- ♻ Gift wrap (non-metallic/glitter) – tape removed from boxes and wrapping

NOT IN THE BOX....

- ♻ Glass, plastics, and cans – these go in your brown bin now
- ♻ Padded envelopes
Tetra food and drink cartons – there is no facility for recycling tetra locally at the moment
- ♻ Card etc with food products or grease – pizza boxes cannot be recycled
- ♻ Metallic gift wrap

WHY SHOULD YOU BOTHER?

One of the most significant benefits of recycling cardboard is that it reduces the volume of waste sent to landfill. By recycling more cardboard, less ends up in landfill which thus lessens the damaging effects.

TALL BROWN BIN

IN THE BIN....

Glass bottles/Jars – any colour

- ✧ Aerosols – empty
- ✧ Clear or coloured plastic bottles
- ✧ Food tins & drinks cans
- ✧ Plastic pots/tubs
- ✧ Plastic food trays & punnets (NOT BLACK)
- ✧ Aluminium foil & Foil food trays
- ✧ All these items should be rinsed

NOT IN THE BIN....

- ✧ Black plastic/flowerpots
- ✧ Cling film or film lids from food packaging including crisp and biscuit packets and bread bags, cat and dog food pouches
- ✧ Plastic egg boxes
- ✧ Tetra Pak cartons - there is no facility for recycling tetra locally at the moment
- ✧ Other kinds of glass (Pyrex, drinking glasses, window glass)
- ✧ Gas canisters or cylinders

NO PLASTIC BAGS

ALL ITEMS SHOULD BE RINSED AND PLACED LOOSE IN THE BIN – DO NOT USE PLASTIC BAGS. Local supermarkets have plastic bag recycling; they do not get recycled in our bins. If we recycle with our plastics in a plastic bag, then this can spoil the load which is ultimately a waste of time for everyone with everything ending up in landfill.

WHY SHOULD YOU BOTHER?

Recycling helps to reduce energy usage and means we are less reliant on raw materials; it takes 75% less energy to make a plastic bottle using recycled plastic compared to newly made plastic. Metal is endlessly recyclable, and a tin can be recycled and back in shops in as few as 60 days!

FOOD CADDY/FOOD RECYCLING BIN

IN THE BIN....

- ❖ All cooked or raw leftover food – no packaging
- ❖ Including Dairy products (Cheese), eggshells, tea bags, coffee grounds, meat, fish and bones, fruit and vegetables, leftovers including pet food, bread, cakes, pastries, rice, pasta, beans
- ❖ When lining your kitchen caddy, use newspaper, paper bags or compostable bags (look out for the SEEDLING logo)
- ❖ If using compostable bags, please do not tie the top as it takes longer to compost

NOT IN THE BIN....

- ❖ Plastic bags!

WHY SHOULD YOU BOTHER?

Any of these, when left in with general waste, can cause one of the biggest issues for our environment. When wasted food goes to a landfill, the nutrients in the food never return to the soil. The wasted food rots and creates pockets of methane, a powerful pollutant greenhouse gas. We are all conscious that methane is a by-product of agriculture, but landfill is also one of the main sources of methane in the UK – and this is largely down to food rotting in pockets instead of being recycled.

For more information about our local recycling facilities and variety of bins, visit:
<https://tunbridgewells.gov.uk/bins-and-recycling>
