Speldhurst Flower, Vegetable and Craft Show

SATURDAY 7th SEPTEMBER

Welcome to the Speldhurst Flower Show.

We always warmly welcome entries to the flower show whether from beginners or old hands. We want our flower show to celebrate the skills and achievements of all our village community, young or old. The taking part is the important bit.

We are particularly keen to introduce the younger generations to gardening, baking and craft so they can show off talents now and build skills for the future. We have specific children's categories and children can enter any class. There are even cash prizes for the children.

Set out below are the details of how to enter, and the central pages have the many classes available. Why not try a few.

Even if you do not intend to enter, please join us on 7th September to admire the fruits of your neighbours' labours, some good company and some tea and cake.

Guidance notes for Exhibitors on judging

The flower, fruit and vegetable exhibits will be judged by reference to the following criteria:

Number of specimens: the schedule specifies the number of items that have to be shown. Check you have enough.

Variety: vegetables should be specimens of the same variety unless otherwise specified.

Uniformity: this means try and get them all the same size, colour, shape and appearance.

Condition: marks will be deducted for blemishes, insect attacks, disease etc.

Freshness: Flowers and vegetables should be as fresh as you can manage.

Presentation: in general, leave the stalk on (apples, raspberries etc) and display onions with their tops tied. Sand trays are supplied to display cherry tomatoes. Vegetables should be cleaned and washed.

Some practical tips

Members of the FS Committee are always available on the day, but here are some extra pointers to help you before the event:

- **Read** the schedule to see what you might enter and check the rules in plenty of time.
- Make sure you know the **right number** of specimens to exhibit.
- **Take extra.** You never know how they will look once displayed so bring more than you need if you have them.
- **Plan ahead.** Don't forget that some flowers, particularly roses will open over the day so pick them just before the show and make sure the blooms are not very full or they will drop their petals.
- Get to the flower show in plenty of **time** to make your exhibit look good. The doors will open at 8am and close for the staging of your exhibits at 10:30am.
- You can take your exhibits home or leave them for the **charity auction**. Proceeds go to the Village Hall and Recreation Ground.
- **Don't worry.** It's all about taking part and having fun.

If you have any questions before the day, please contact Iain Fenn (01892 864908) or Paul Freddi (07434 604018).
